## Inclement Weather and Cancellation of School

- The Afterschool Program does not operate on days that school is closed due to adverse weather conditions.
- The After School Program **WILL NOT** operate when school is dismissed early because of inclement weather. You **MUST** make arrangements to have your student picked up as soon as an announcement is made for early dismissal.
- If roads become hazardous when After School Programs are in session, please make arrangements to pick up your child as soon as possible. Our goal is that every child and staff member involved in the program arrives home safely.

When school is dismissed early, telephone lines at the schools become very busy. You should create a plan in advance about what your child should do in case school is dismissed early. This information will be used automatically in the event of any inclement weather or cancellation of school unless notified by you of a change.

## Discipline

Discipline will be handled in accordance with the Beaufort County Schools District adopted policy on Student Discipline. These policies may be viewed on the internet at [www.beaufortschools.net](http://www.beaufortschools.net).

Actions deemed by the teacher and/or the principal of the school to be a serious offense will result in suspension or dismissal from the program in accordance with Beaufort County Schools District policy and procedure on student discipline.

Teachers will keep a log sheet of behavior problems and will report these to parents/guardians. Should a student's behavior make it necessary to preclude him or her from the program a letter will be sent home as a final warning.

## Suspension/Expulsion from After School Program

Dismissal may result from habitually leaving a student after closing time, failure to pay promptly, or issuing "bad" checks for payment to the program.

## Homework

Time for homework will be scheduled; however, please anticipate that you may need to spend time with your student at *home* on homework. Books will be available for a quiet reading time for those students who do not have homework.

## Medication

To minimize disruptions to the school day, students should take medicine at home rather than at school whenever feasible.

No medication will be kept by After School Care employees. All medication must be kept in the Afterschool office.

## Telephone Contact

Students are not permitted to make telephone calls during After School Program sessions. Should a student need to contact a parent or guardian, they should inform the teacher or assistant for help. If you need to contact the teacher, please refer to the contact list provided at the end of this handbook.

## Safe Departure Procedures

- Upon the student's departure, **an adult must come inside the facility and notify staff** that the student is leaving and **sign the departure form.**
- Students must never be left unattended.
- **Authorization is required in writing when anyone other than the designated adult listed on the "Application for After School Care" arrives to pick up the child. Please inform this person that a picture ID will be requested. Your child will not be released to anyone not listed on the application unless you talk directly with the Teacher.**
